Dear New Pilot

AFI has been teaching people to fly for Four Decades, and we are excited you're starting your flying lessons with us.

AFI is open 7 days a week and we can find a date and time to match your busy schedule.

- Step 1. Call or come by AFI to set up your schedule. We will schedule a 2 hour block of time.
- Step 2. On the Day of you **First Flight Lesson** arrive on time.
- Step 3. Your lesson will begin with a short introductory presentation to get you familiar with the airplane, followed by a tour of AFI
- Step 4. You will be introduced to your Flight Instructor and they will get you prepared for your lesson
- Step 5. Following your First Flight Lesson there will be a short debriefing with plenty of time to answer all your question about the next step
- Step 6. Plan your next Flight on the way to achieving your Pilots License

Congratulations on Your First Flight Lesson
